

# Barnet Partnership for School Improvement

## Covid Recovery Learning Project

BPSI offer a bespoke project to support schools in minimising the impact of Covid 19, address lost learning and ensure the rapid recovery of emotional well-being and learning of all pupils. This compliments the work of the LNI team and the BPSI training schedule.

The project aims to increase knowledge, minimise workload and share best practice.

### Training package

#### **Auditing children's learning to develop a responsive, powerful catch up curriculum**

KS1 and KS2

Louise Yarwood and Helen Cheung

How to identify and begin to understand your priorities for learning during the year ahead: **which** children need the most, **what** they most need and **how** you might adapt your curriculum in response. This is a taster session for the project and for the courses ahead

9 September 2020, 9.30am

[Please book here](#)

---

#### **Using on-entry assessment to create a curriculum that meets the needs of our youngest learners**

Helen Cheung

In this half day session we will be looking at how to create a helpful on-entry assessment process and use this to construct a responsive curriculum of provision and practice that meets the needs of our youngest learners at this unique time.

9 September 2020, 1.30pm

[Please book here](#)

#### **Strategic planning and workshop for COVID recovery: curriculum**

Katie Dawbarn

This is an opportunity to share research, DfE requirements and the things you need to consider when planning your curriculum in September. It also will give you all an opportunity to have some strategic thinking time and to share your thoughts, planning templates and actions to ensure good outcomes for all of the children in your school.

16 September 2020, 9.30am

[Please book here](#)

---

#### **Addressing pupil's well-being and social emotional developments**

Jayne Abbott, Resilience Programme Manager

Recognising the signs and symptoms of poor mental health in ourselves and others. Understanding risk and protective factors.

22 September 2020, 9.30am

[Please book here](#)

## Redesigning your blended curriculum

Miranda Perry

Opportunities for the future, mixing online and face to face learning

24 September 2020, 1.30pm

[Please book here](#)

---

## Behaviour

Jane Morris and Katie Dawbarn

This session will explore the challenges facing schools in supporting pupils on their transition back into the classroom and how to overcome these.

30 September 2020, 9.30am

[Please book here](#)

---

## Learning Loss

Miranda Perry

‘Learning loss’ is the new priority. This session will show how to identify it, measure it, and compensate for it.

30 September 2020, 1.30pm

---

## Ensuring effective interventions

Joann Moore and Samantha Rothwell

This course will:

- Look at latest research in delivering effective intervention – what to use and why
- Help you to think strategically about what you need to provide and how to plan for it
- Provide you with a practical toolkit for evaluating progress

13 October 2020, 9.30am

## Effective teaching and learning

Paul Whitcombe

Quality teaching is the greatest lever to closing the gap. We focus on Rosenshine’s principles of instruction to support quality teaching in this new-normal, with simplicity and clarity of direction at its heart.

15 October 2020, 9.30am

---

## Project Sharing Workshops

Paul Whitcombe

An opportunity to be part of a supportive network, sharing research, best practice and building up resources

One per half term – to be arranged

Schools will also be signposted to various training courses related to the programme which includes other training events offered by BPSI and the Inclusion and Advisory Team, plus those appropriate for Governors and NQTs.

## Charges / how to book

The price includes open access to all of the training courses in the project

**BPSI member and associate member schools:** 10 BPSI hours

**Non BPSI schools:** £1,200

To book your school onto the programme, please book via the [link here](#) with the name of the school co-ordinator and email address. Schools will then be emailed the Strategic Planning Tool.

Individual sessions can be booked using the links that will be uploaded to the BPSI website shortly.
