

# SLA ONLINE

Revolutionising traded services

Please enter search term

## SLA Online

One stop shop for BELS's  
traded services

Login 

SLA Online is an E-commerce solution for traded services, used by local authorities

Used by over 80 Local Authorities for trading services to schools and education settings

Some of the functions

- Schools have own private accounts
- Browse for services, add to shopping basket and checkout
- Book training and courses
- Receive reminders
- Access resources
- Receive newsletters, join forums, contact BELS for admin support
