

# Elections Update:

- ▶ You cannot stop poor matches from nominating themselves but you can inform them of your ideal candidate, training expectations, time requirements, code of conduct, etc.
- ▶ Length: we recommend 1 week plus 1 week for ballot, if needed.
- ▶ Electronic Voting is fine so long as you make provision for postal delivery, including 'by hand'.
- ▶ Ballot confidentiality not a legal requirement but often used (via MS Forms, Google Forms, Survey Monkey, etc).
- ▶ Promote Associate Member role as this is a foot in the door for harder to reach prospects.
