

Link Governors' meeting
Wednesday 13 January 2010
7 – 9pm

Sarah Beaumont, Governor Services Manager, welcomed everyone to the meeting, on a very snowy evening in January (!). She explained that a Link Governor was the link between the Local Authority and the Governing Body, overseeing the training and development of their governors.

She explained that the purpose of the termly Link Governor's meeting was to provide information on forthcoming governor training and development events and to give an opportunity for Link Governors to meet together and discuss current issues.

Guest speaker: Doreen Ahebwa, Sex and Relationships Education Co-ordinator from Barnet's Primary Care Trust

The information and support that schools (from primary onwards) provide on friendships, relationships and sexual health has a significant impact on young people's lives. Doreen Ahebwa, Sex and Relationships Education Co-ordinator from Barnet's Primary Care Trust, gave Link Governors an insight into the work undertaken by the Primary Care Trust in Barnet schools (presentation attached).

See below for local contact and support information.

Over-view of Spring Term Governor Support and Development Programme

Sarah concluded by highlighting courses in the spring term programme.

Many thanks to all those who attended!
